press release 1 // 20th jan 2010

ClassicCarDriver.net Launches.

ClassicCarDriver.net launches to provide its users with the complete online classic car resource incorporating driver tools, supplier, classic car clubs and events all in one place – <http://www.classiccardriver.net>.

20th January 2010 – <http://www.classiccardriver.net> has launched after more than a year and a half of development. ClassicCarDriver.net combines driver tools with supplier, classic car clubs and classic car events all grouped based on type and make/model.

ClassicCarDriver.net also provides pricing data showing pricing ranges for parts and cars to allow drivers to budget for a given project. The underlying principle of the ClassicCarDriver.net is to provide a set of useful resources for classic car enthusiasts based on each users preferences in an easy and logical way in keeping with your searching habits.

Suppliers and clubs are able to list on ClassicCarDriver.net based on a make/model allowing any enthusiast who is interested in the same make/model to see your supplier or clubs details.

For Classic Car Suppliers and Clubs you can help enhance your business by advertising on ClassicCarDriver.net to provide direct marketing targeted at qualified potential customers from the classic car community.
